Phaser® 3130

black-and-white laser printer

Make a great impression!

The Xerox Phaser 3130 laser printer stands out as a great value. It delivers high-productivity, 17 page-per-minute speed to keep up with the pace of your busy office. And it fits in, with quiet operation and a low profile. The Phaser 3130 printer distinguishes itself where performance expectations are high … and space is at a premium.

Phaser® 3130

Customer support

One year Exchange warranty, online web technical support and telephone support. Innovative service offerings include extended Service Agreements. The Phaser 3130 printer is backed by the Xerox Total Satisfaction Guarantee.

Value, productivity, and quality in a compact design.

Stands out.

- 17 pages per minute output doesn't keep you waiting; first page appears in under 12 seconds
- Crisp, clean output at 1200 dpi image quality for professional quality documents
- Business grade performance: 166MHz processor, backed by 32 MB memory
- 250-sheet paper tray holds half a ream of paper, and supports large print jobs without constant refilling
- Accommodates a wide range of media: popular and custom paper types, plus card stock, transparencies and labels

Fits In.

- Stylish, low profile design fits neatly on small desks or in cramped workspaces
- Minimal acoustic noise levels, even while printing
- USB and Parallel Port connections work with a variety of PCs
- Robust 15,000 page monthly duty cycle; always puts in an honest day's work
- Long-lasting 3,000-page toner cartridge life; Toner Saver mode extends consumables even further
